In the title of the transfer please include the name and surname of the exhibitor, name of the cat and days of the show.

Veterinary conditions:

- All exhibiting cats must have micro chip, must be healthy, free from infections and parasites.
- All cats must have a valid vaccination certificate with the necessary vaccination against panleukopenia and respiratory viral diseases (done not earlier than 2 years before the show and at least 21 days before the show).
- The owners of the white cats must have the veterinary certificate of the examination of the cat's hearing.
- All cats' tips of claws must be cut.

Warning:

There are all FIFe and FPL regulations in use. The right of entry to the exhibition have the cats who are at least four months old, are located in the catalogue and have passed the veterinary inspection. Registrations and cancellations after the closing date will not be accepted (FIFe Show Reg. art. 1.15 point a). The number of places is limited. The closing date can be accelerated. Cats must be in decorated cages until the exhibition is officially closed. The organizer reserves the right to change the programme of the show.

On the show the breeder- exhibitor should have:

- Cat's passport with the valid vaccinations and with the microchip number
- Original entry form confirmed by the own club

SIZE OF THE CAGE: 60X60X65 cm
